## air control

“ Excellent for eliminating bad smells. Ultra-powerful with a high concentrate of natural essential oils. ”

Made with selected essential oils, UMONIUM<sup>38</sup> **air control** radically fights bad odours. Each 100mL vial contains the equivalent of at least 20kg of dehydrated plants and provides more than 900 sprays. Remarkably effective, it purifies the air and eliminates odours with a simple spray. Fresh, pure, powerful and concentrated in natural essential oils, a version for automatic diffusers exists under the name UMONIUM<sup>38</sup> **AIR CONTROL MATIC**.
